OPERATION FREEDOM PAWS provides service dogs & training primarily to VETERANS, but also to first responders, children, and others with physical, neurological, and psychological disabilities, such as post-traumatic stress syndrome, complex PTSD, traumatic brain injury, and other physical, neurological, psychological and mobility needs. Clients are carefully matched up with their specially chosen four-legged companions, most which come from rescue shelters, and they begin a committed 48-week program that trains the client to train their own dog. At the end of the program they are certified together as a **SERVICE DOG TEAM**, at absolutely no cost whatsoever to the VETERAN, first responder or other clients.

They have become "Four Paws, Two Feet, One Team"
